

VESSEL FOR THE DEVELOPMENT OF LOGISTIC AND SUPPORT OPERATIONS

LOGISTIC SUPPORT VESSEL

Vessel with capacity to develop humanitarian operations along riverside and coastal areas. Multi-functional platform that allows its adaptation to different tasks such as logistical support, humanitarian aid and commercial cargo transport.

Its design enables access to low-draft areas without port facilities.

Humanitarian operations

Naval logistic support

Cargo shipping

Disaster relief

LSV

LOGISTIC SUPPORT VESSEL

SPECS SHEET

DIMENSIONS

Total length:	49 m
